HIGH POINT COLLEGE

Some aspects of the college experience are universal. Everyone who has ever attended college has known the sweetness of the stolen moment alone in the midst of the jungle of reports, deadlines, meetings, papers, and exams. He suffers from the twangs resultant of late study. He exposes himself to the elements as oft as does the farmer. He bursts inside when the beam of truth breaks his veil of uncertainty. Beauty, hatred, insecurity, ecstasy, supreme ignorance, boundless knowledge, fear, anger, joy, and love are felt in the superlative by the struggling inhabitant within the academic walls. Any college student can tell you this. He can also tell you about . . .

. . . the chemistry experiment which had to be rerun six times . . .

. . . the wonderful surprise birthday party . . .

. . . the warmth of real friendships . . .

. . . the intramural relays with their laughter and
the promise of aching muscles . . .

... the admiration, joy, and envy that accompanies a new ring ...

... the good nights ...

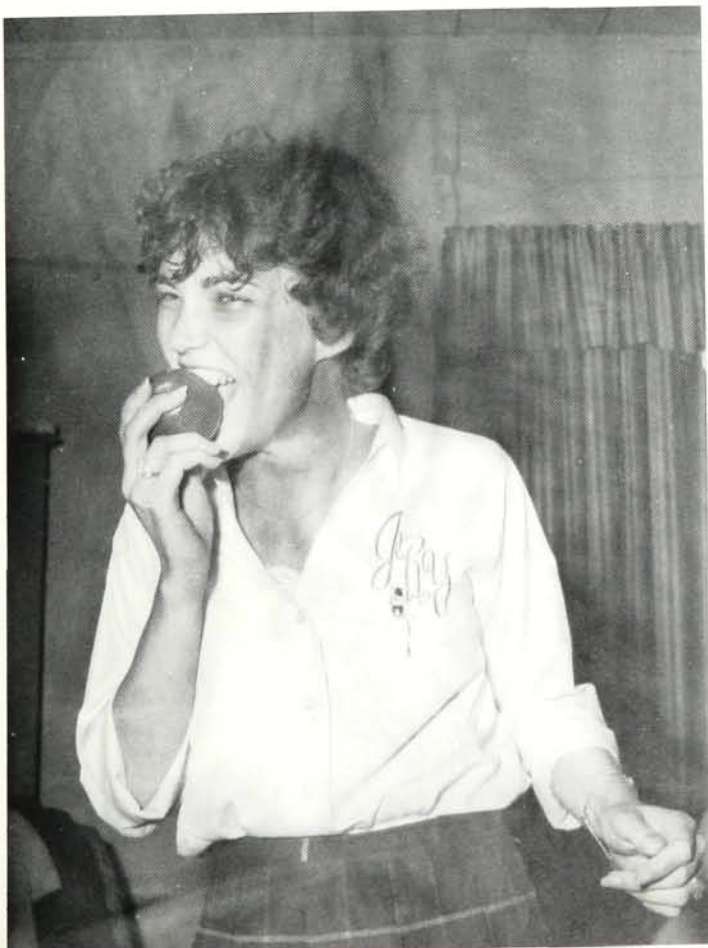

... the unforgettable parties ...

... the revelation of a conference

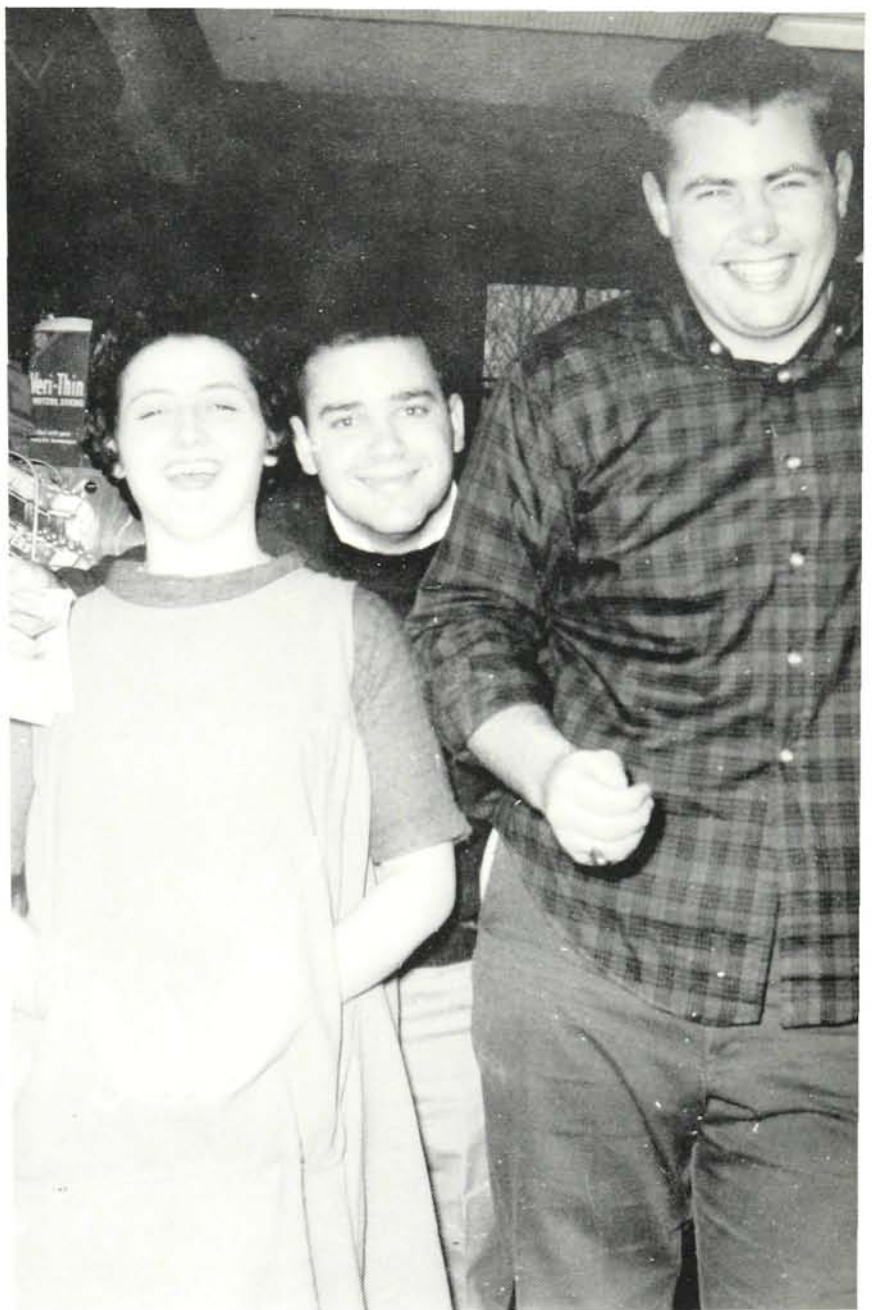

... the first long-distance call home . . .

. . . and 1,675,893 other related incidences. However, each campus adds a distinctive flavor to the college experience. With almost no effort the High Point College student can recall the messy and exciting Freshman-Sophomore tug-of-war across the creek . . .

... the friendly bookstore service ...

... the evening quiet delight-
fully broken by the singing
fraternity men ...

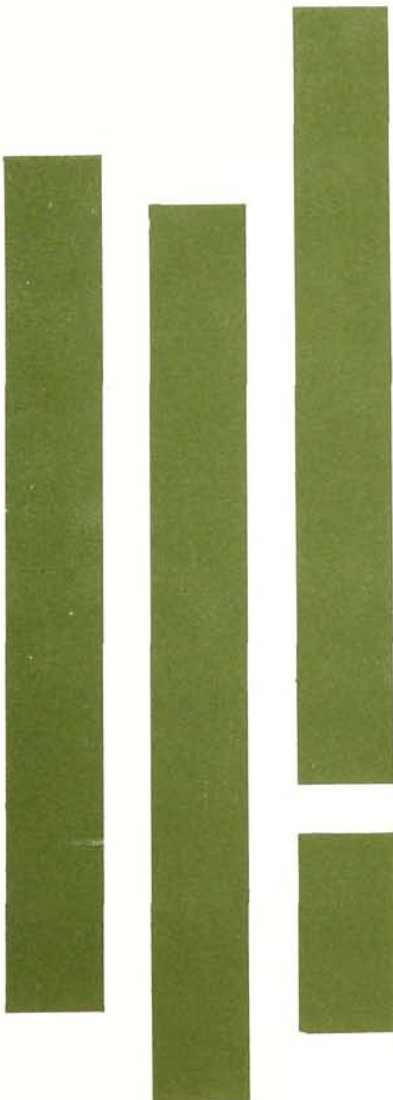

... the Dempsty Dumpster between five and six ...

... the evening study break ...

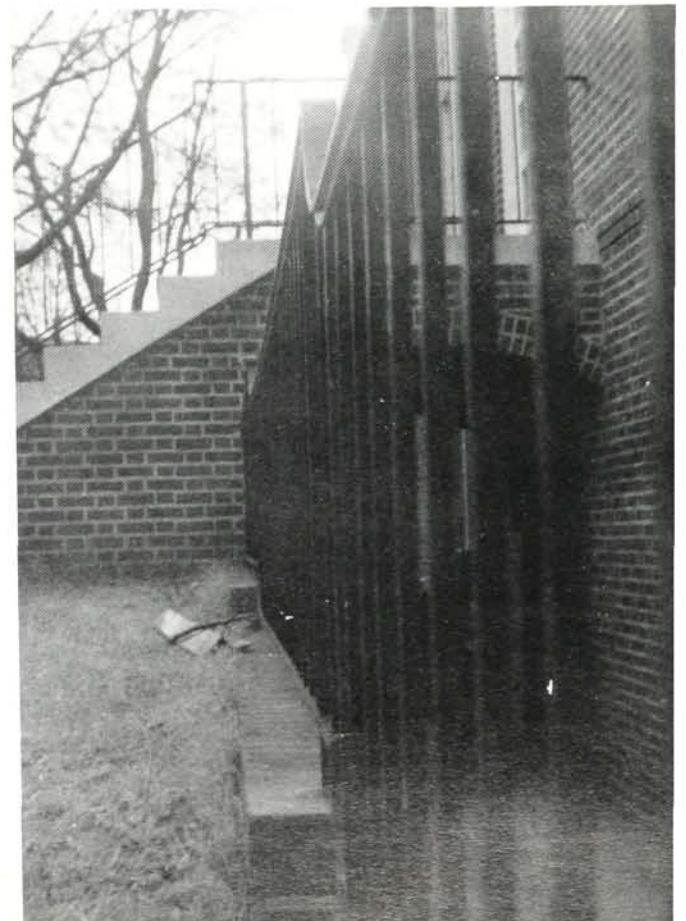

... the three scoops of milk-shake base with the squirt of cherry syrup ...

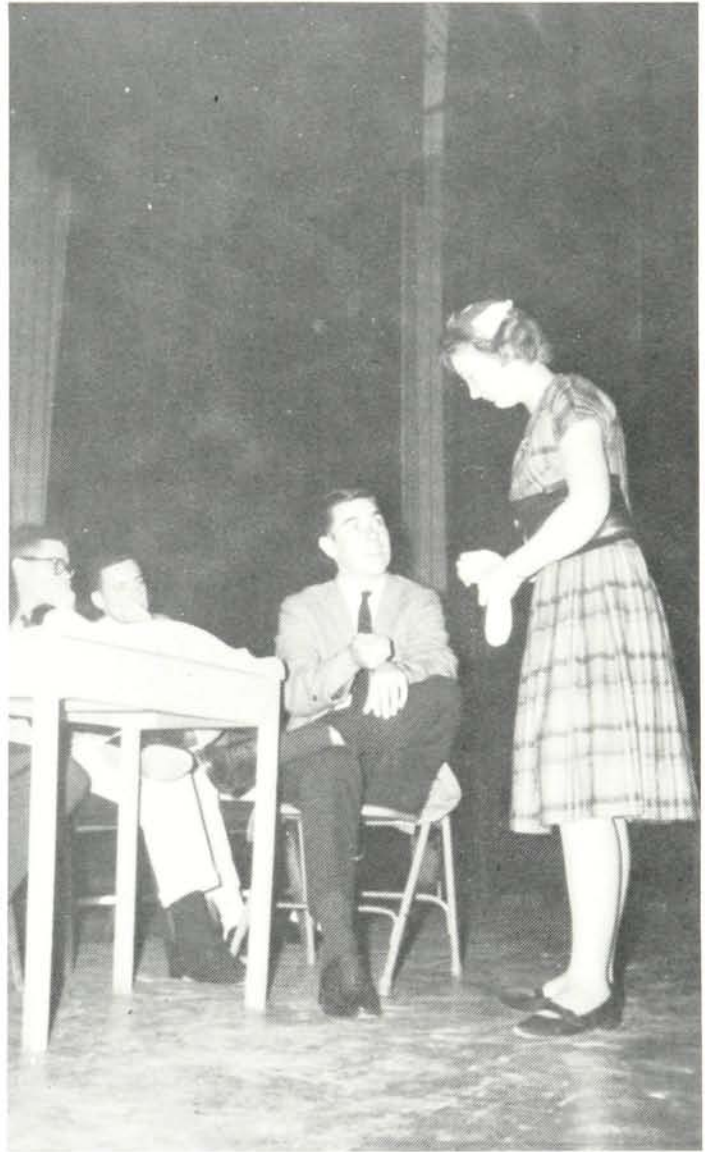

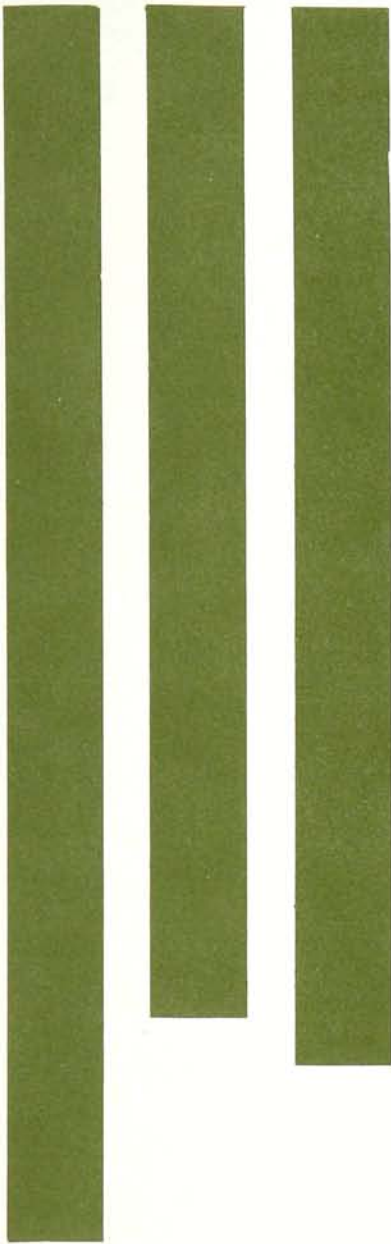

... the dark solitude of early morning ...

... those glorious Saturday mornings after classes ...

... the price paid for breaking traditions ...

DEDICATION

A college teacher, to be successful today, must know his field more thoroughly than ever before. But more than that, he must also be able to instill in his students a sense of responsibility and challenge. He must inspire them to work toward goals which may at first seem impossible to attain, but are necessary if the students are to be proficient in the field.

At High Point College we have such a professor as this, who devotes himself with all his talents to his students. His classes may be the most difficult a student has ever encountered, but in the end each one is appreciative of the intensive instruction received.

For the inspiration which he has been to all students, for the higher goals he continually seeks and for his exceptional ability to motivate his students to a high plane of learning, the Senior Class dedicates this 1963 edition of the Zenith to DR. DAN COOKE.

MESSAGE TO THE CLASS OF 1963

When you enter college the four years ahead seem an eternity. As you reach graduation day you wonder what became of those years that suddenly fled. It is our earnest hope and prayer that you found something on this campus that you will carry throughout life.

We hope, too, that you found opportunities for self development and expression in all of the many experiences, both good and bad, that you had while in college.

We hope that you have not only acquired invaluable factual knowledge from your books and classes, but even more important, a sense of values—a yardstick—that will help you apply this knowledge, make critical examinations, and draw sound conclusions for the betterment of your world and all of mankind.

May God's richest blessings be upon you.

Sincerely yours,
Wendell M. Patton

WE PAY TRIBUTE TO . . .

Many times during the school year, there are people to whom we turn for help in various situations. Fortunately, the *Zenith* staff has found someone on our campus who is both willing and able to help with any and every problem. For the kindnesses, sincerity, and concern which this person has shown, the *Zenith* staff wishes to make a special tribute. In appreciation and gratitude for all she has done, we honor . . .

ORGANIZATIONS

Organizations . . . planning for a new year . . . all members will report to the Auditorium at 10:20 . . . say, where is that secretary's report??? . . . when in doubt, find our advisor . . . where's the organization in this organization, any way???!!!! . . . somebody *better* find us a great speaker!!! . . . why not have a careers workshop, gang?? . . . be sure and line the date up on the Social Calendar . . . oh, was it TONIGHT we were supposed to plan refreshments??? . . . hope the mail brings tonight's program material . . . meetings, committees, and more meetings . . . April comes and the new officers take over . . . another "organizational" year on the HPC campus . . .

STUDENT GOVERNMENT ASSOCIATION

Bob Clark—President

EXECUTIVE COUNCIL

"The Clan" gathers in Dr. Patton's office for their weekly meeting . . .

Harry Lilly—Vice-President

Betty Treece—Secretary

John Ward—Treasurer

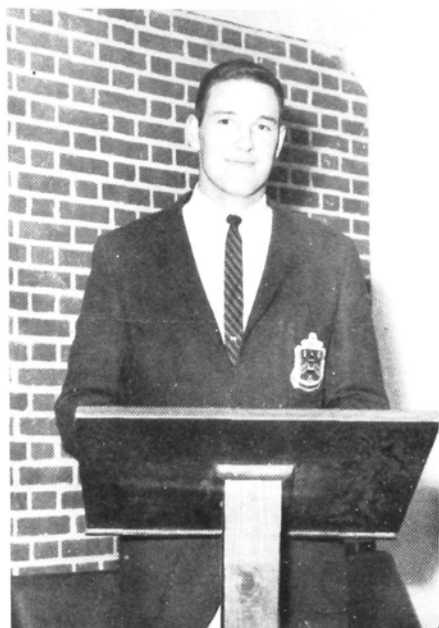

JUDICIARY COUNCIL

The Judiciary Council of the Student Government Association has the duty of trying all cases of infraction of SGA rules, and determining and enforcing punishment for these infractions. The Chief Justice of the Judiciary Council, is Patricia Peele.

STUDENT LEGISLATURE

Allen Sharpe
Speaker of the Legislature

The Student Legislature, reorganized this year into a single unit, is the legislative branch of the Student Government Association. Through this body bills introduced by student representatives are passed, usually after much examination and discussion concerning the merit of the proposed rule. Every organization on campus is represented in the Legislature, so that all students are given a channel for expressing their ideas for a better student government.

Student Legislature

STANDING COMMITTEES

The College Improvement Committee, Gail Geyer, Chairman

The College Improvement Committee has as its purpose the instigation of improvements on our campus. One of their foremost projects is to fix the fountain on the grounds in front of the library.

The City-College Relations Committee worked with the Merchants' Association of High Point to organize and carry out "High Point College Days". The committee has also gotten for us reduced rates at the laundries and movie theaters.

The City-College Relations Committee, Charlie Nesbitt, Chairman

STANDING COMMITTEES

The Entertainment Committee, Fred Winters, Chairman.

The Entertainment Committee is responsible for various activities throughout the year. These activities include Fall Weekend, the Christmas dance, the Peter, Paul, and Mary concert, the Homecoming dance, and Spring Weekend.

The Ideas Committee of the SGA collects ideas from both the students and the faculty. Discussion groups and opinion poles are the main sources in their goal of improving the SGA and student-faculty-administration relations.

The Ideas Committee, Clara Jane Neal, Chairman.

"The Line-Up" . . . dorm council members pause in the lounge . . .

There are many things that symbolize dorm life to the women students at High Point College. Among them are a friendly smile, a helping hand, a lasting friendship, devotions at 10:30, the required dorm meetings, and a thousand others.

What girl does not remember the first "call down", phone duty conflicting with a special date, or throwing the girl with the new frat pin into the shower?

There are tests and exams, and double demerits for call downs, but there is also the fun, the friendship and relative harmony of the dorm. And of course there is the dorm council, that all important body which we elect, and then at times wonder if we really did, to guide us and inform us, and to use a little discipline if needed!

Hark our herald angels sing . . .

It is the job of the Men's Dormitory Council to work out minor problems concerning resident students. The officers of the dormitory council also assist in the orientation program of freshmen and handle any minor infractions of the dormitory rules. Seeing group living as an instrument of education in itself, the officers strive to make the experience of dormitory life as rewarding and as pleasant as possible.

The dormitory council has been very fortunate to have the helpful assistance of our resident Housemother, Mrs. McMeekin-Kerr. She has, during the year, fostered a home-like atmosphere to our dormitory life.

Meet, discuss, work—big project ahead and everyone has a worried face and matching mind. Will we make our point successfully? Will we have audiences for our efforts? Are we even a going concern here or anywhere?

And then we wait—for applause, for comments laudatory or critical, for anything in terms of response. Because response is what we seek.

The Student Christian Association, of which every student on campus is a member, is similar to a missile base; it is a launching pad for Finch lectures, church-

student relationships, assembly programs presenting summer job opportunities and opportunities for campus religious affiliation, annual caroling service, can-can party, and the all-important Religion-in-Life Week. Response was our goal. We waited and were rewarded.

The Student Christian Council, which is the steering council for the organization, was ably assisted by Dr. Locke, Miss Eubanks, Dr. Hudgins, and Mrs. Robert Amos, Jr.

"Sisters in the service of God"—This is Alpha Delta Theta. The girls of our sisterhood are like all other college students. They are searching for Ultimate Truth. They face the changes of growth and the struggles that encircle them as they reach upward toward God and outward toward their fellow man. Life lived within this sisterhood is one enriched by experiences with others and by a striving together of young women from varied backgrounds and with varied interests, but all with one common goal—to learn to LIVE—to live a life in the service of God.

Kappa Chi is an organization composed of all men students who are planning to enter or who are interested in Christian vocations. It provides a medium of religious instruction and a dynamic fellowship in which all members may share. Participation in other religious activities on campus is emphasized. The highlights of this Kappa Chi year, which have included the enlightening programs, the renovation of the outdoor chapel, the annual Thanksgiving banquet, and the fellowship found in various sporting events, will be remembered for a long time by all members.

METHODIST STUDENT FELLOWSHIP

The Methodist Student Fellowship on the college campus is part of a nationwide movement sponsored by the Methodist Church. The purpose of MSF is to provide a Christian community for the Methodist students of the college, in which they find fellowship and fun through study, recreation, and worship. The programs of MSF are purposely varied to give insight and information of use to the students, and to broaden understanding by examining the knowledge of others. MSF shows that the meaning of the Church and its message are especially important in the world of today.

BAPTIST STUDENT UNION

The Baptist Student Union on the High Point College campus seeks to meet the needs of the members through emphasis on the major roles of the student's life. Some of these are spiritual activity, Christian fellowship, study and discussion of topics of interest to the members, and participation and cooperation of members in the campus religious program. B.S.U. also encourages its members to increase their service through local church attendance and work projects.

WESTMINSTER FELLOWSHIP

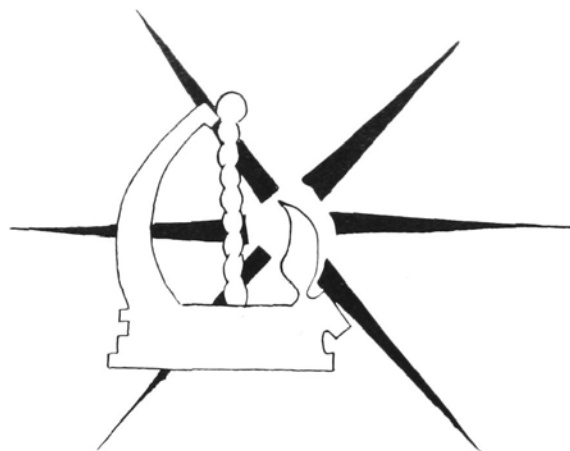

The Westminster Fellowship is the organization on the High Point College campus for those students who are Presbyterians. The program of the organization is built around participation in the college religious program as a whole as well as in activities within the individual group.

Meetings feature discussions and programs of interest to all college students, and therefore students of all denominations are welcome at Westminster meetings.

Epsilon Sigma Omicron is the professional Home Economics Sorority. It is for girls who are majoring in home economics, and for the ones who are taking or have taken any course in home economics.

The purpose of Epsilon Sigma Omicron is to promote a spirit of cooperation among the home economics members and their associates on the campus, to promote wider and better understanding of the value of home economics to other individuals, to stimulate interest of its members in professional growth, and to develop the personality, character, leadership, and social poise of its members.

Alpha Phi Omega, national service fraternity, has as its local chapter Mu Xi, High Point College. The fraternity cooperates with campus organizations' projects as well as carrying out a program of its own. Activities this year included such things as the Taxi Dance, which was sponsored in conjunction with the Womens' Dormitory Council; and aiding the Fellowship Teams and the Student Christian Association in preparing and distributing their literature. Mu Xi also donated a new

American flag to the college, and, in its community service area, assisted in the strengthening of Boy Scout Troop 25 in Trinity. A major highlight of the Spring semester was the Alpha Phi Omega Sectional Conference on March 1, 2, & 3, which was attended by national officers of the fraternity as well as by delegates and advisors from chapters in Virginia, North Carolina, and South Carolina.

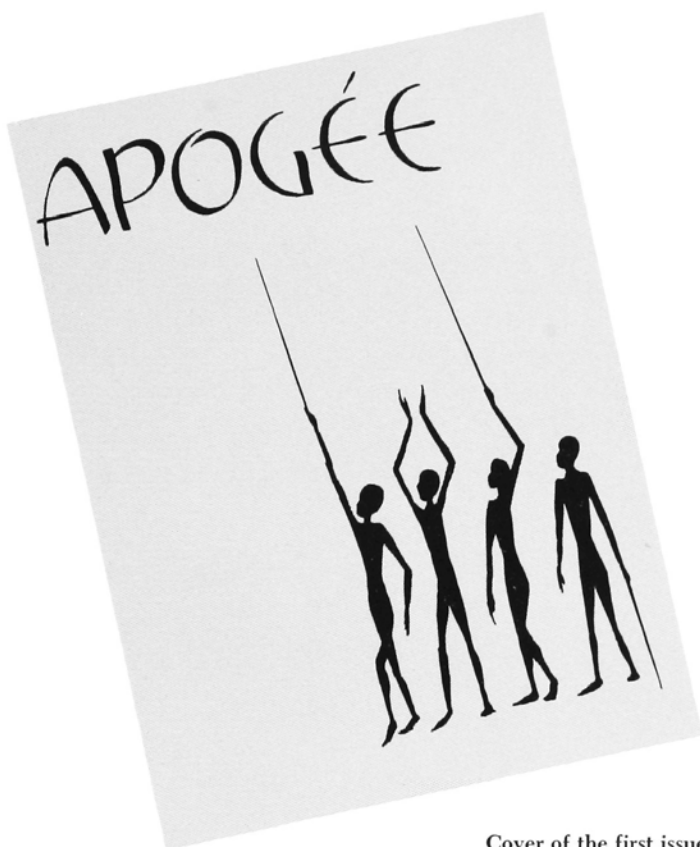

APOGEE

Gloria Teague
Editor-in-Chief

The Apogee is a literary publication established this year by the Student Government Association. The purpose of this publication is to furnish an outlet for the variety of writings and art works of the High Point College student body. The Apogee attempts to promote and reward meritorious achievement. It gives those who are creative a chance to express themselves in poetry, short stories, essays, and art. As its name suggests, the Apogee seeks to encourage students to obtain "the highest point" in expression and creativity.

THE HI - PO

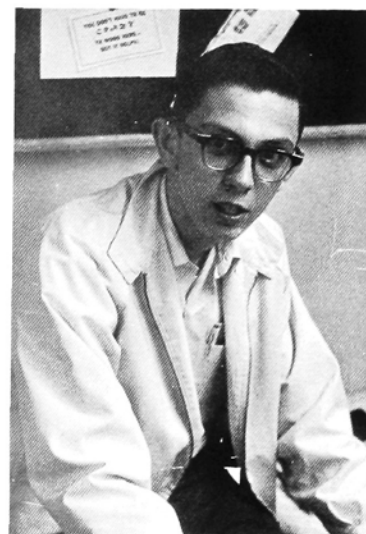

Howard Barnes, Editor, scans the latest edition.

What words can best describe the 1962-63 HI-PO? News? Better? Different? We, the staff, feel that these words are appropriate, but they do not give the whole picture of this year's HI-PO. We feel that our motto, the "Voice of the Students" fulfills the description of the HI-PO.

This year we have tried to bring the views of the students into focus. We have done this by using as much of the paper as possible for the news of the students. We have also tried to keep the students informed on the activities and policies of the school. We feel that the HI-PO has created a more informed campus, but yet; we feel that there are still more improvements to be made before we can state that this is a truly respected publication.

Perhaps in the years to come the HI-PO will become a weekly paper. We have made a step in this direction by keeping the HI-PO in the black, instead of in the red. Our hope and aspiration rests with you, the students, and with the 1963-64 staff.

"You're not kidding I'm going to write an editorial about that!" exclaims Don Little, Assistant Editor.

PHYSICAL EDUCATION

Don Cashion, President of the Club.

The Physical Education Majors Club of High Point College was organized to further the welfare and learning of the members; to foster activities in the field of Physical Education; to facilitate interest through programs, methods, techniques, and activities; to promote a sound campus and community understanding of Physical Education; and to raise the professional standards for the future of the occupation.

This is one of the most active clubs of the campus, and has sponsored many programs in which the entire student body has been invited to participate. Chief among these, perhaps, has been the annual Co-Recreation Night. Each year the Club awards a plaque to the outstanding senior Physical Education Major, chosen for his merit of overall participation and contribution to the promotion of the standards of the organization.

Scholastic Honor Society

To stimulate the love of learning and to recognize and encourage scholarship, the Scholastic Honor Society was inaugurated in 1957. Membership in the Scholastic Honor Society is one of the greatest honors bestowed upon a student. For election as a junior, the candidate must have completed 75 semester hours of regular college work with a quality point ration of 2.75. The minimum ration for election as a senior is 2.25. Membership in this society consists of students, honorary and associate members.

The Student National Education Association chapter at High Point College endeavors to serve as a connecting link between the students and their future profession. By presenting programs of interest to other education majors, and by attending various workshops and conferences, members learn more about the preparation of, demands on, and ethics of the teacher today. Members also subscribe to state and national publications, which bring additional insight and help to our future educators.

This year the choir made several short trips, rather than making a tour. The decision was made so that the choir could participate in the Christmas opera, *Amahl and the Night Visitors* and in the Verdi *Requiem*, which was done in connection with the Winston-Salem Symphony.

Our wanderings included trips to Guilford College, Greensboro College, Mitchell Junior College, North Wilkesboro, and several churches in the High Point area.

To those of us in the choir, it is a very special organization. Choir tours, short trips, and rehearsals will long be remembered with happiness by each one of us.

BAND

The concert band helps to increase the appreciation, understanding, and enjoyment of music among its members as well as among the students as a whole. The band performs music of many periods and moods, presenting the music in concert for Chapel programs. The organization also travels to many schools in the area to present programs at all seasons of the year. The band is directed by Mr. Robert Clark.

The Panhellenic . . . an important part of campus life.

The Panhellenic Council is the co-ordinating group of the four sororities on the High Point College campus. The Council cooperates with the college administration and the City Panhellenic in trying to make sorority life meaningful and beneficial. It encourages high social and scholastic standards and serves as a forum for the discussion of sorority affairs.

The Mighty Sphinx!

These are champions?!

In 1889, in New York, at the College of the City of New York, Delta Sigma Phi was founded. Since then Delta Sigs have become known on campuses all over the nation and Canada.

A Delta Sig is many things. He is a person who loves his fraternity and what it stands for. He is willing to make personal sacrifices for his fraternity without expecting applause. He has learned to respect others and puts the interests of the group before his own. He is interested in improving his scholarship; in developing his personality, and in making a leader of himself. He realizes the help his fraternity will give him in later life and the advantages it offers him. Leadership . . . Scholarship . . . Personality Development . . . Social Life . . . Lasting Friendships . . . Development of Talents . . . These things are characteristic of a Delta Sig.

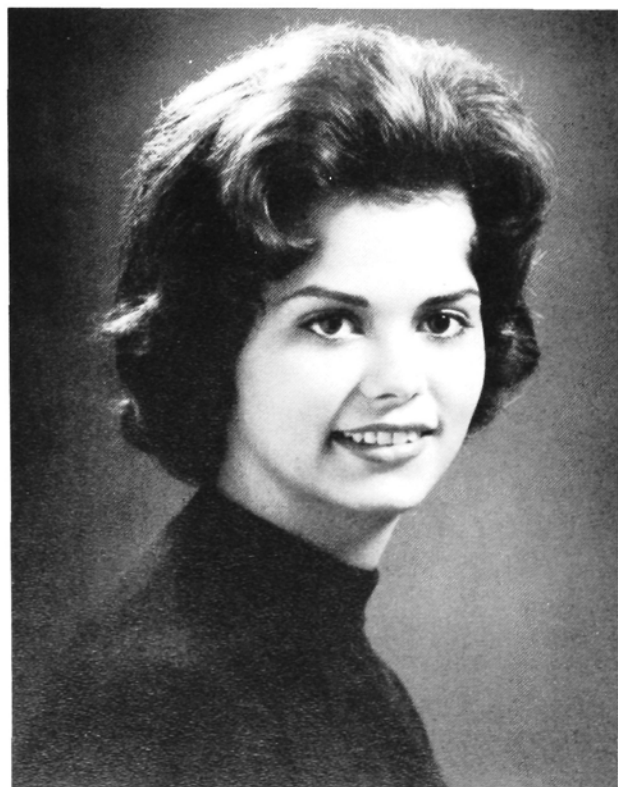

"For a man may be a very good man" . . . 1962-63 will always stand out as another banner year in Delta Sigdom . . . Delta Sigs hold major offices on campi . . . It rained on the mountain trip, but we made out OK

. . . Had the cool party at Calude's—50 degrees . . . Rush party netted top pledges—Fields, Jessup, Amick, Mullis, Burris, Deal, Harvey . . . Phillip's serenade brings laughs, not love—good singin' Brothers . . . Yarborough and Knornegay make big splash at Delta Sig moonlight swim . . . Dr. Cole's speech inspires us at Engineered Leadership Banquet . . . Traditional Christmas Tree shines on Sphinx . . . Merry Christmas, ya'll . . . Back to the books (?) after two weeks of fun . . . Exams again—the midnight oil's running low . . . Luck to those who didn't make it! . . . Initiation was a big hit for all pledges—congrats to new brothers . . . Hatcher and Alley become actors . . . Rosey, Lewis, Fields lead Delta Sig chapter in basketball game with Beta Lambda . . . Hi-Ho leaves the Hi-PO . . . Clark to take wife to S.M.U. . . . Clarabelle leaves loves for law . . . Rev. Wortman holds crusade . . . Kearns, Kenerley, and "Jap" take big step to altar . . . Good Luck . . . Brothers and dates head for Sailors' Ball—rave on!! . . . Beards are gone and so is the year . . . See ya next fall, ya'll . . . Have a swingin' summer.

campus have exemplified through their feelings, a realistic outlook as a fraternity. Our fraternity life is varied and educational as we try to uphold our motto: "ALMA MATER FIRST, AND THETA CHI FOR ALMA MATER." Many times our brothers have shown leadership amidst themselves and amidst the college community that is indicative of our proud heritage. Founded in 1856, Theta Chis across the nation still work together to build in ourselves the ability and self-confidence necessary for leading a complete life.

BASKETBALL

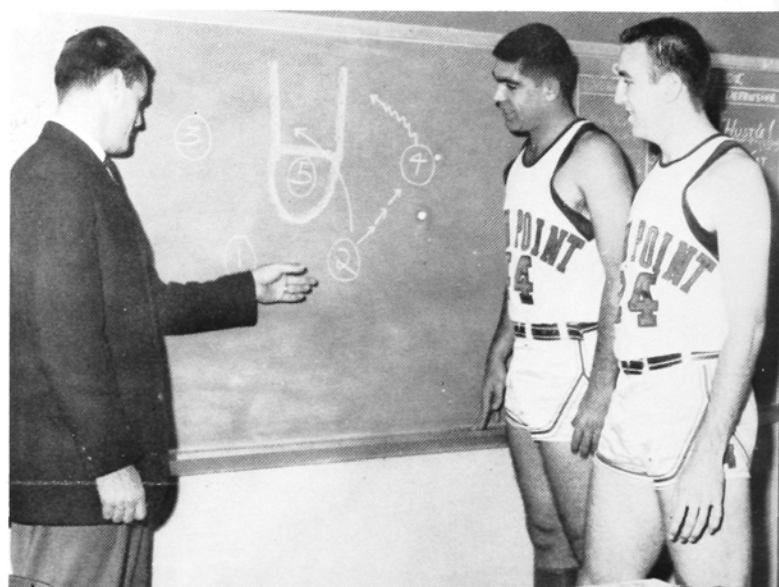

Coach Tom Quinn

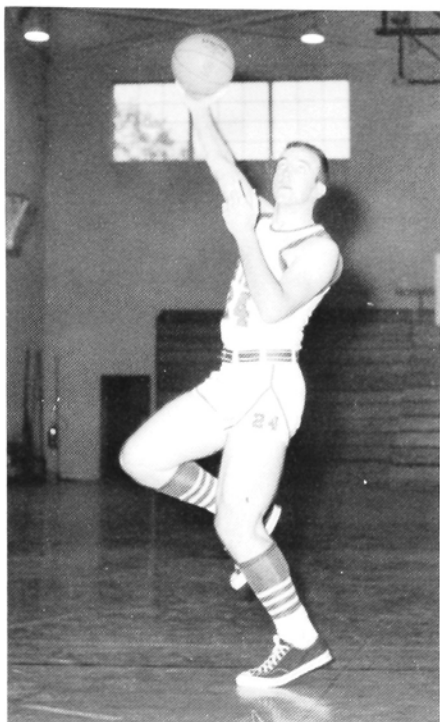

When Coach Tom Quinn took over as head basketball coach of High Point College in the fall of 1962, it marked the end of an era. For twenty-two seasons veteran coach C. Virgil Yow had directed the Panthers. Coach Yow had been vastly successful over that era, winning the North State championship four times and consistently producing a winning team.

Coach Quinn came to HPC with outstanding credentials as basketball coach at Newberry College, Newberry, South Carolina. Combining his extensive knowledge of the game with set patterns of play, Coach Quinn produced an unbelievable 22-7 record. The Panthers beat every team they faced, with the exception of Lenoir Rhyne College, which defeated High Point four times. The 13-4 conference record was good enough for a second place finish during the regular season and the runners-up position for the tournament championship. However, the unfortunate Panthers did not meet NAIA scholastic regulations and were denied a chance to participate in the national small college playoffs.

Coach Quinn used the starting lineup all season with one exception. Junior Phil Garrison started at forward along with Kirk Stewart. Dale Neel was the center for the first half of the season, but had to be replaced at mid-season because of academic difficulties by Bill Fallin. Barry Smith and Al Trombetta were the guards. Reserves were Richard McGreevy, Larry Nolan, Richard Guiffredo, Sam Byers, and Roger Herman.

TOURNAMENT

The Panthers journeyed to Lexington on February 20 for the annual Carolinas Conference Tournament after a 13-4 conference record, good enough for second place seeding. The Panthers drew lowly Atlantic Christian College in the first round and proceeded to dispose of the smaller Christians, 90-57. High Point scored 64 points in the second half and five players hit double figures. Phil Garrison led all scorers with 27 points.

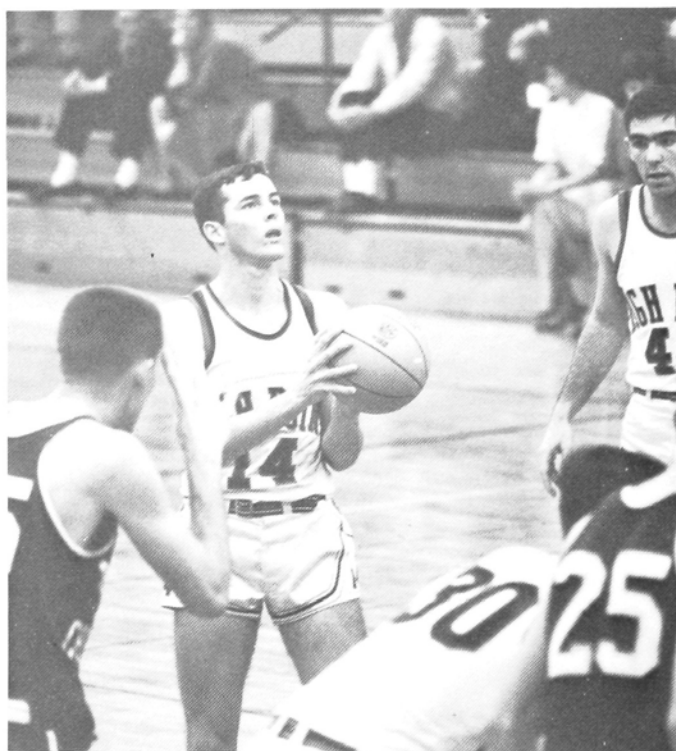

On February 22 the Panthers advanced to the semi-finals by beating a spirited Appalachian team, 72-60. All five Panther starters hit double figures, with Bill Fallin leading the way with 21 points and 18 rebounds.

In the finals for the third straight year, the Panthers faced Lenoir Rhyne, their top rival. The hot-shooting Bears downed High Point 63-47 for the title. Kirk Stewart, with 12 points, was the only Panther in double figures.

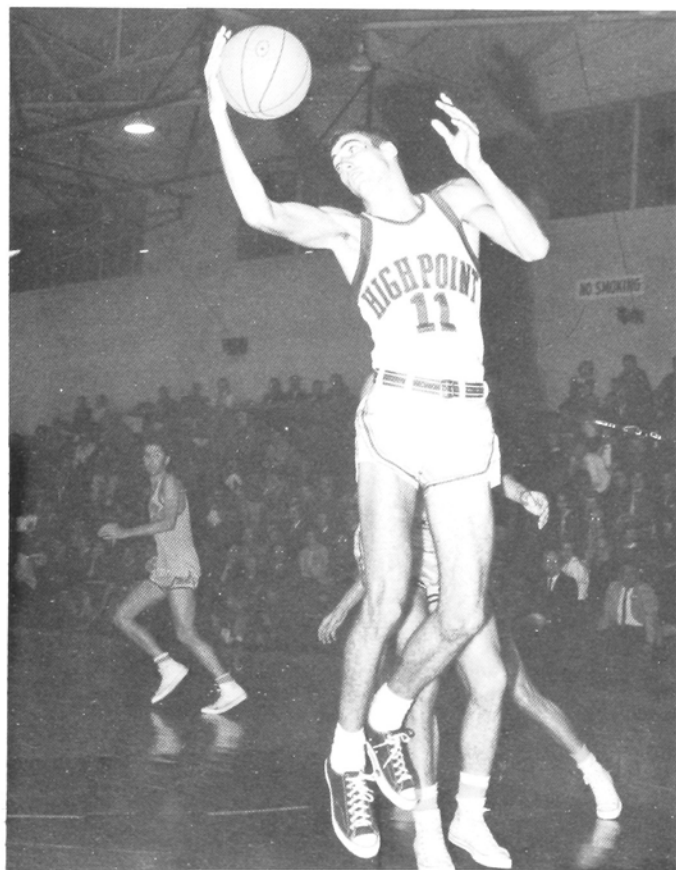

Named to the tournament team was Bill Fallin, who was High Point's top scorer in the tournament with 48 points. Phil Garrison and Barry Smith were selected on the second team.

TRACK

Head track coach Bob Davidson has a very ambitious track team to work with this spring. Headed by returning lettermen Jack Wagner, Mike Sabino, Dave Baughn, and Steve Bower, Coach Davidson has potential standouts in all events.

Jack Wagner has become a track hero at High Point College. Jack is the master of the 440 and 880 yard dashes. He will be aided this year by freshman Tony Boyles in the 880. Distance runners are Mike Sabino, Griff Balthis, and Jim Wilmot. Bob Brennan and Ron Reigelman will run the 100 and 220 yard dashes.

Steve Bower, who set the conference pole vaulting mark last season in Greensboro is back for another year. Barrow Mullis and Ken Truitt will also be pole vaulting this year. Broad jumpers Ken Rich and Dave Young are back; Dave Young and Bill McKinley return for the high jump; and Dave Baughn and Ron Reigelman will run the hurdles.

In the Field events, freshman Steve Pearson is showing steady progress as a shot-putter; Johnny Earnhardt will throw the discus; and Ray Haga and Bob Seaver will throw the javelin.

Stan Kinney

Johnny Johnson, Blair Park pro, will again serve as coach of the 1963 edition of the High Point College golf team.

Three-year letterman Stan Kinney and freshman Dick Olson head the list of golfing prospects for this season.

MEN'S BOWLING TEAM

Dave Fancher, Roy Greenwood, Joe Gosnell, Bob Harriss, and Kenny Deal.

Last year the first bowling team in High Point College history went to the NAIA tournament in Kansas City, Missouri. The team bowled in competition with thirty-two other small colleges and had a final placing of twenty-sixth in the nation. Members of the team were: Phil Coghill, Alton Jones, Marion Suitt, Kenny Deal, Norman O'Bryant, and Joe Gosnell.

This year High Point College has both a men's and a ladies' team. The men tuned up for Kansas City again by bowling Guilford College in preliminary competition. Members of this year's Kansas City-bound keglers are Kenny Deal, Roy Greenwood, Bob Harris, Dave Fancher, and Joe Gosnell.

BOWLING

WOMEN'S BOWLING TEAM

Pat Warren, Nancy Wall, Beth Brealey, Jenova Haines, Sandy McDaniel, and Marsha Waecter.

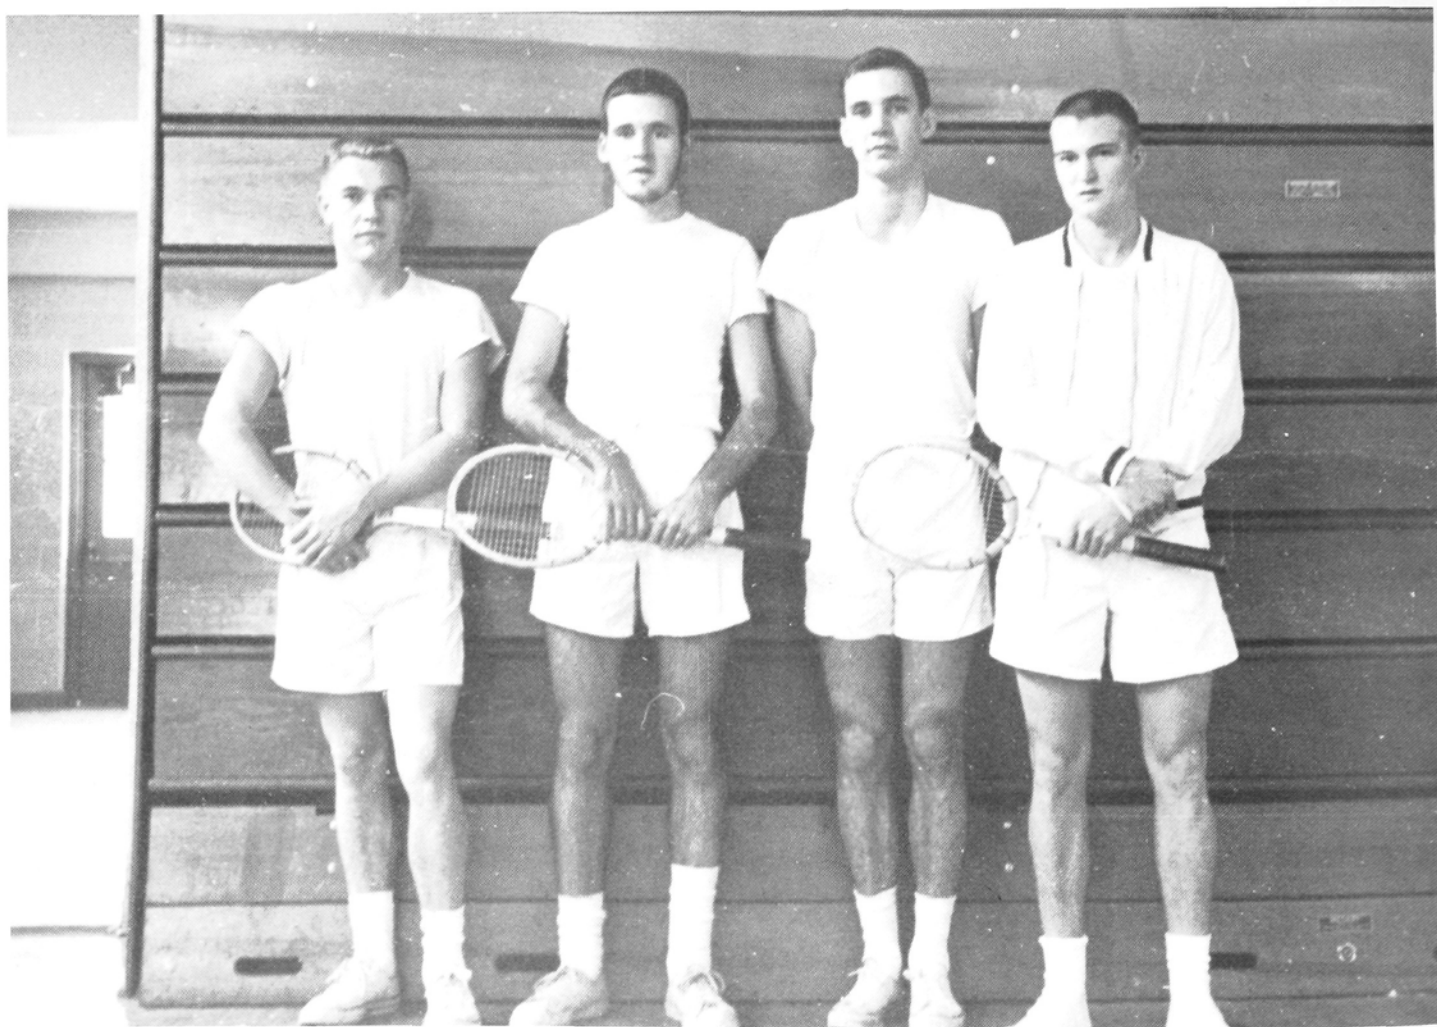

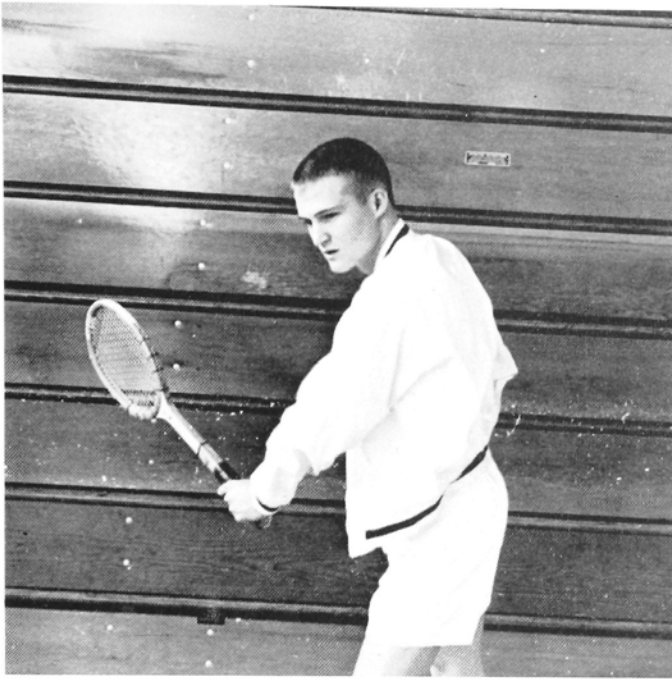

TENNIS

The High Point College tennis team for 1963 has three returning lettermen: Paul Smith, Mike Rosenmarkle, and Wayne Furman—all sophomores. Ironically, the other three members of the squad are all upperclassmen: Tommy Arnette, Larry Amick, and Tracy McCarthy.

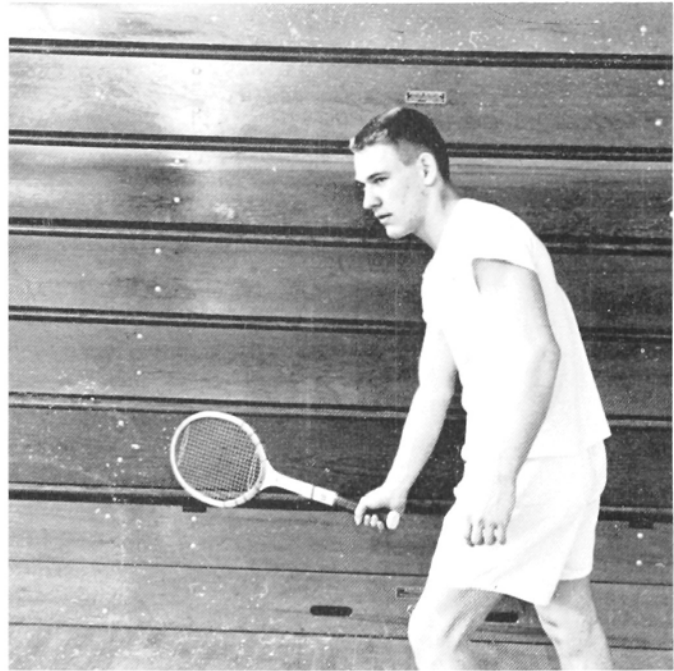

This year's team looks for better things with a new coach, Tom Quinn; a new playing court, Blair Park; and an increased schedule over last season.

The Intramural Department at High Point College is a division of the Health, Physical Education, and Athletic Department, which promotes, furnishes equipment for, and supervises competition in varied sports areas. All students and faculty members are encouraged to take part in the intramural program which has become an important part of the extra-curricular activity of the college.

Intramural teams are composed of fraternities and independent teams, providing each student enrolled at High Point College with an opportunity to participate in the Intramural Sports Program. Since opening its doors in 1924, it has been the policy of the college to encourage athletics, both intra-collegiate and intramural. At this time more than 60 per cent of the student body is participating in the intramural program.

Intramural director, Coach Bobby Davidson and his assistant, Jack Wagoner, schedule and keep records and point distributions on each individual event. Points are awarded for entering teams, final position of finish, and points are deducted from the total in case of forfeits.

Trophies are awarded to the winner of each event, and an all-campus trophy is given annually to the fraternity with the highest number of total points.

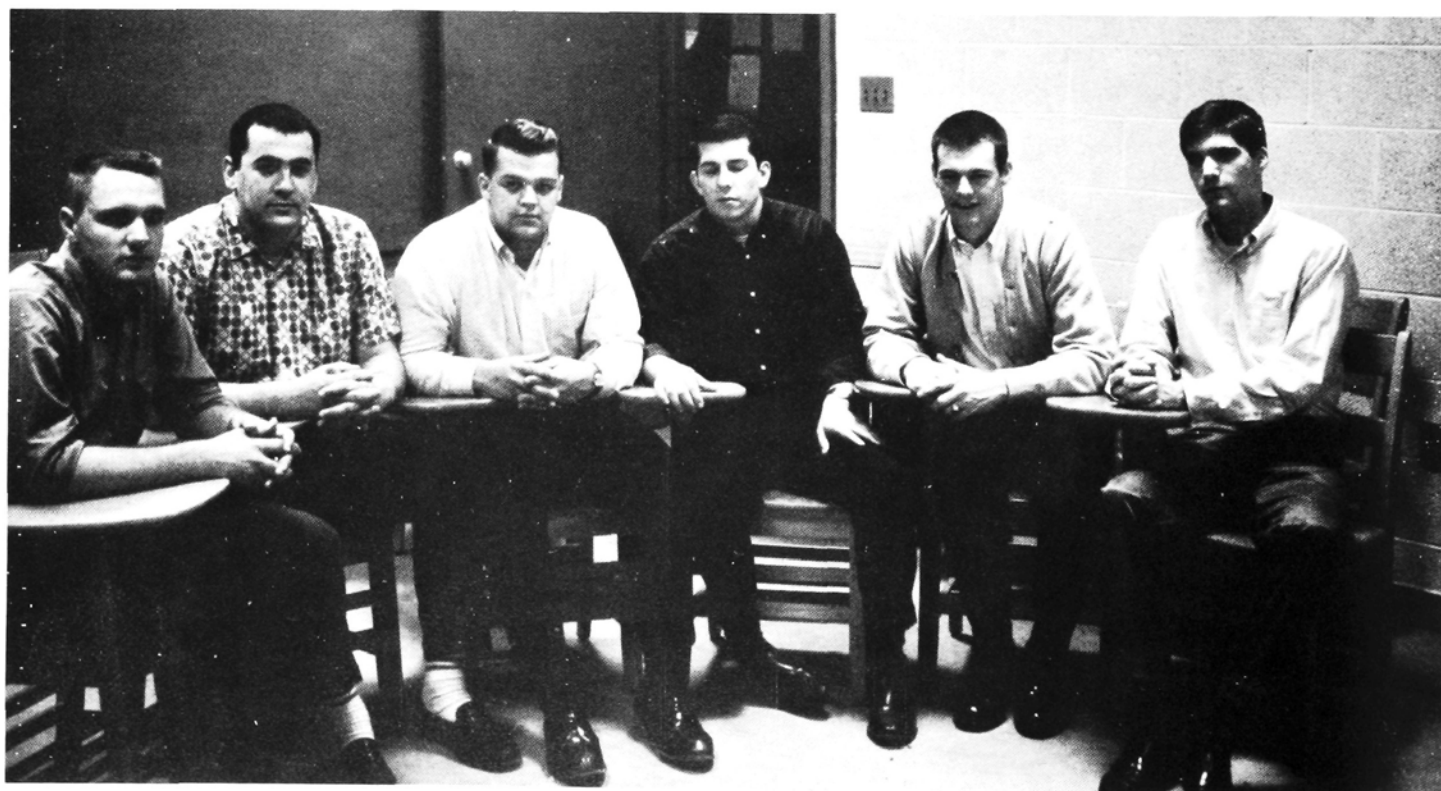

The fall sports consist of touch football and badminton; the winter sports are volleyball, basketball, bowling, ping pong, and the basketball free throw contest; the spring sports include archery, softball, horse-shoes, track, tennis, and golf.

Each fraternity and independent team sends a representative to each intramural meeting, which constitutes the Intramural Council.

It is hoped that the intramural program is sufficiently diversified to interest almost every student, since there are both team games and individual athletic activities and sports of a vigorous and non-vigorous nature. Intramurals offer an opportunity to develop further the skills learned in required gym classes and to create value of sportsmanship, physically strong bodies, and wholesome recreational habits.

BOWLING COUNCIL

Rex Conner, Vice-President; Roy Greenwood, President; Pete Hepler, Secretary-Treasurer.

Champion Bowlers: DELTA SIGMA PHI. Howard Barnes, Larry Amick, Ken Deal, Wayne Lewis.

Bill Harris, Champion Colts' QB, rolls out vs Delta Sig line.

Badminton Champ Yang Seing Lu is congratulated by Kirt Christian.

WOMEN'S INTRAMURALS

Another trophy to add to the collection . . .

Look out, here she comes . . .

The Women's Intramural Council, made up of representatives from the Physical Education Major's Club and the four campus sororities, plans sorority and independent intramural programs. These plans include schedules for basketball, volleyball, softball, and badminton, as well as many others. In each of the activities, there are regular schedules planned, plus special games and finals. An activity in which the Council also participates is the annual Co-Recreation night, in which a large number of student organizations enter teams.

FEATURES

September to May — another college year has gone by. Long after these months have passed there will be fond remembrances of the special events the year has brought. Miss HPC, Homecoming, May Weekend— campus beauties flash radiant smiles as excitement, anticipation, and joy run high. Special thoughts and special events each take their place in our memories to hold dear as time goes by.

Dear Miss Ringley:

I certainly was honored to be invited to judge the beautiful girls of High Point College. It was a pleasure. I didn't realize it would be such a challenge. They were all such fine looking young people.

Thanks once again, and "Bless your little Pea-Pickin' heart!"

Cordially,

First the clock . . . then the plant

When a customer bought 100 cigars from the wholesale grocery firm of H. Cone & Sons in 1870, he received a handsome clock. Some of these clocks are still ticking away. In addition to selling cigars and groceries for their father, Moses and Ceasar Cone sold cotton plaids. Seeing a great future in fabrics, they started the Cone textile enterprises as a selling and commission house in 1891. They built the original manufacturing plant in 1896.

What of Cone Mills Today?

From these small beginnings has come one of the world's largest and most progressive textile firms. With 18 plants employing almost 13,000 men and women, Cone Mills today is the world's largest producer of corduroys, denims and flannels. Its modern printing and finishing operations are turning out a host of other fashion-right fabrics. Cone through its research and development activities is constantly seeking better ways to make better materials.

Examples of Cone firsts in this country are the new, popular stretch denims and corduroys.

To maintain its high standards, our company needs young people with initiative and intelligence. Cone Mills offers opportunities in four areas . . . production, administration, sales and research. Would you be interested in joining such a progressive organization? Write Industrial Relations Department, Cone Mills Corporation, Greensboro, N. C.
